This is a little dog named

BUTTONS

He has
bright eyes, and
a proud little tail.

He always
liked being
a dog, but
he didn't like
being **LITTLE**

So, **BUTTONS** tried
eating to get **BIG**
But he ate so much
that his tummy hurt.

Then he tried stretching
himself all day long. But
he just became tired.

Then he tried sitting
down and just waiting
to grow. But that
didn't do a bit of good,
BUTTONS just couldn't
get any **BIGGER**
