But Jack can not stop to talk
for very long. Oh my, no!

“You must see all there is to see,”
he will say.

“And the first thing you must see
is Mr. Bones.

Come on! I will show him to you.”

And then—well then,
you will not know
where you are going,
but you will go.

And all the time you are going,
Jack will talk and talk
about the first time
he saw Mr. Bones.

This is the way
it all came about.
